**KC Legacy of Faith and Service:** Founded by Fr. Michael J. McGivney, a young parish priest, the Knights of Columbus has helped strengthen men, their families, their parishes, and their communities since 1882. Today, there are more than 1.9 million Knights doing good across the world. The Knights of Columbus stands as the strong right arm of the Church, and challenges members to grow in their faith through programs and fraternity. The Knights of Columbus offers men a place to lead their families and communities in faith and service and put their Faith into Action! Faith in Action is the program model of the Knight of Columbus that will achieve that growth in faith and service. This model offers a mission driven platform designed to consider the needs of men and their families in the twenty-first century.
